

TONTO NATURAL BRIDGE STATE PARK

VOLUNTEER POSITION DESCRIPTION

Position Title: Maintenance – Landscaping

Service Summary: Care for the blackberry bushes, trees and other vegetation in the park. Includes pruning, watering and harvesting fruit and berries that grow in the park. Includes spraying trees and bushes to reduce/prevent animal and insect damage. Includes maintenance of the stream beds that flow into the park from the natural springs. Also other maintenance/landscaping duties as needed.

Supervision: Maintenance Ranger (primary) or Volunteer Coordinator

Location: Throughout the park

Time Commitment: 4 hours per week

Training:

- Volunteer Orientation
- State of Arizona Mandated Training for Volunteers (Bloodborne Pathogens, Preventing Inappropriate Behavior in the Workplace & Ethics).
- Training in tools, equipment & other job related procedures and details.
- TNBSP park orientation.
- Radio procedures, operation and language requirements.
- Other training deemed necessary to the successful and safe completion of the job duties.

Qualifications & Requirements:

- Basic interest & understanding of landscaping & maintenance.
- Ability to hike steep and strenuous trails.
- Ability to perform heavy lifting and physical labor.
- Ability & willingness to work with a variety of power & hand tools.
- Ability to work as a member of a team.
- A general working knowledge of maintenance skills.

Benefits of Service: Volunteers significantly increase the services & enjoyment available to visitors.

Volunteer uniforms are provided. Volunteers receive free admission to all state parks after 50 hours service, receive gifts for various service levels & receive invitations to Annual Volunteer Recognition & training events.
